

Boys Summer Adventure Camp

January 9th to 17th 2021

Hi Parents,

Thank you for your initial enquiry of “Camp Wedgetail” - Boys Summer Adventure Camp 2021.

My name is Andrew - your Camp Director.

This year’s camp is looking fantastic! Boys from around Australia gather annually at Camp Wedgetail’s beautiful lakeside setting to discover new passions, gain confidence and independence, develop practical skills, live in a trusting and inclusive community, and create friendships that last a lifetime.

Camp Wedgetail’s program offers, a wide range of activities that cater for all personalities. Our qualified staff offer instruction as well as provide a safe, happy and encouraging environment for all Campers to experience an amazing adventure.

The trust that develops between Campers and the support they feel from Leaders, enables Campers to be the best people they can be. We believe in honesty, caring, responsibility and talk a lot about values and ideals. Without direction, our oldest campers act as role models for our younger campers. Campers learn to trust and depend on each other in ways that don’t often happen in other situations.

Most of our Leaders were once Camp Wedgetail campers too. They return summer after summer to make Camp as special for your son as it was for them. Whether they are former Camp Wedgetail campers or leaders, or new to our community, you can count on them to be young men and women with an excellent character, lots of patience, and a deep commitment to helping boys develop the skills and values that will make them happy and successful as they move on in life.

One of the most wonderful moments I witness each summer, is on the last night and especially the last day of camp, when campers are heading home. I see campers shedding a few tears as they say goodbye to their cabin mates and camp friends until they see them again next summer. How refreshing it is to see them all openly showing their emotions, giving those heartfelt hugs, knowing they are in the type of community where being honest with their feelings and open in their strong friendship with others, is a key part of being at Camp Wedgetail.

It is an extremely rewarding experience for everyone!
